

EARLY HEAD START-CCCP

Give Your Child an Early Head Start Enroll them in our Early Head Start Child Care Partnership Program

Early Head Start Child Care Partnerships collaborates with community-based childcare centers and family childcare homes to enhance services for children, families, and staff.

Enroll your infant or toddler in our program to receive FREE

- › Health, nutrition, and developmental screenings for your child
- › Diapers, wipes, and formula at your childcare site
- › Community Connections, resources, and events
- › Classroom connections and coaching for your child's teachers

Talk with your childcare Director and teachers or call our office at (503) 491-6880 to learn more about our program and complete an application.
